JOHNNY DC SAYS: LET THE MAIL BEGIN!

DC

Dear Johnny DC,

I really like Dexter's Laboratory, Ed, Edd and Eddy, and Courage. They're very funny.

The Ed, Edd 'n Eddy puzzle was good but very easy for me. I like crossword puzzles. Could you please put some crossword puzzles in some of the comics?

Chana Fisch, age 6
Teaneck, New Jersey

Crossword puzzles are a good idea, Chana! What did you think of Dexter's maze and connect-the-dots in this issue?
-Johnny DC

[DRAWING BY-CHANA FISCH]

Dear Johnny DC,

I really like Cartoon Network Block Party. I thought the Billy & Mandy comic for issue #1 was really funny and the Ed, Edd and Eddy maze was a little bit tricky.

Of all the characters, my favorite one is Dexter and my second favorite is Courage. I like Dexter

because his comics are really funny when some of his experiments backfire. I like Courage because it's funny when sometimes he does a lot of stuff and he didn't have to do it at all - like, in one issue, there was a vampire and he did all of the stuff to get rid of the vampire and then it just went away. The Courage story "Hide and Sneak," when the ghosts decorated the house, was a bit odd but I liked it anyway. Will Courage ever meet Frankenstein?

Nachum Fisch, age 9
Teaneck, New Jersey

I don't think Courage will ever meet Frankenstein's monster. He only meets new monsters!
-Johnny DC

[DRAWING BY-CHANA FISCH]

Kassandra Roman from Villalba, Puerto Rico sent a drawing of Courage and some other incredibly dashing dude. I really like it, I don't know why. What? No, I'm not saying that

just 'cause Kassandra drew me, the DC Kid! But I look good, don't I?

[DRAWING BY-KASANDRA ROMAN]

Now, here's the thing... I need more mail from you guys for Courage and Grim and Dexter and the Kids Next Door and everybody else. Sure, the Powerpuff Girls get plenty of letters because they're so cute and the Teen Titans get lots of mail because they wear masks and save the world all the time. But the dudes in Cartoon Network Block Party have something that none of those other comics have - they're weird! They're funny-looking and do wacked things. So: Support Weird Cartoon Characters! Send lots of letters and drawings to the address at the bottom of this page!
